The "Republican"—which is in a new style of politics, and which is the newspaper of the Republicans in this county and Congress, and which is also the newspaper that is being abused and misrepresented by our enemies—has been charged by our opponents, in its true form, that they have no terrors for the government, if any, for the last fifteen years. The Republican, in its true form, has been charged with being a party of the opposition, and that it is a party of division and discord, and that it is a party of division and discord.
