The Telegraph

ARRIVAL OF THE AFrites

at Dearborn, April 17, 1855.

The recent purchases of the American News Letter, a weekly Democratic newspaper, published in Bloomington, Indiana, on March 24, 1855. The newspaper covers various topics, including current events, local news, and advertisements. The content reflects the political climate of the time, with a focus on Democratic Party views and issues such as the Mexican-American War and the expansion of slavery.
NEW YORK ACT
To authorize the establishment of the Public Schools in the State of California.

Sec. 1. The Legislature of said State shall be empowered to establish and support a system of Public Schools throughout the State, and to make such appropriations therefor as may be necessary.

Sec. 2. The Legislature may, at its discretion, provide for the maintenance of said system, and may fix the rate of taxation for the same.

Sec. 3. The Legislature shall also be authorized to construct any necessary buildings for the purpose of said system, and to pay the necessary expenses thereof.

AN ACT
To authorize the establishment of the Public Schools in the State of California.

Sec. 1. The Legislature of said State shall be authorized to establish and support a system of Public Schools throughout the State, and to make such appropriations therefor as may be necessary.

Sec. 2. The Legislature may, at its discretion, provide for the maintenance of said system, and may fix the rate of taxation for the same.

Sec. 3. The Legislature shall also be authorized to construct any necessary buildings for the purpose of said system, and to pay the necessary expenses thereof.
