HOUSEHOLD FURNITURE *and* DOMESTIC EQUIPMENT

THE FURNITURE shown in this catalog was designed by the Special Services Section, Resettlement Division, to meet the needs of Farm Security Administration clients.

Every effort has been made to keep costs reasonably low and at the same time to secure models that will stand up well under hard usage.

Items other than furniture shown in this catalog, such as stoves, heaters, and sewing machines, are typical only, and may vary slightly in appearance as purchases are made from different manufacturers. Their essential utility is controlled by specifications.

Delivery of all models shown is arranged through the Special Services Section, Resettlement Division, and details of handling application for this equipment are to be found, in the case of Rehabilitation clients, in Procedure RR-770.1 and in the case of Resettlement clients, Procedure RP-570.1.

HOUSEHOLD ELECTRIC Sewing Machine

Sewing-instruction classes may be arranged without cost to the purchasing clients where groups can be organized.

This is the same machine as the treadle model, except that it is electrically driven. Takes A. C. or D. C. current. Motor is controlled by pressure of foot on treadle, delivering any desired speed with perfect smoothness. Furnished with 10-watt spotlight to reflect on sewing. Spare parts are easily obtainable.

Attachments for hemming, binding, ruffling, tucking, etc., are available.

HOUSEHOLD TREADLE

Sewing Machine

NO MODEL NUMBER, ORDER BY NAME

Sewing-instruction classes may be arranged without cost to the purchasing clients where groups can be organized.

This machine will meet every sewing need in the average household. Single-needle, lock-stitch, oscillating hook type, with a working capacity of 8 inches to right of needle. Takes all materials from lightweight batistes to heavy 10-ounce denim or whipcord. Bobbin winder operates on flywheel. Easy to lubricate and with proper care will give a lifetime of service. Spare parts easily obtainable. Cabinet — drophead type, machine folds into body of cabinet when not in use, firmly anchored folding leaf makes occasional table top. Two drawers for sewing supplies. Easy-running foot-treadle power.

Attachments for hemming, binding, ruffling, tucking, etc., are available.
