

Please note that the Administrative Record for Fell Iron and Metal contains 3 separate indices for different phases during the Removal. The first index reflects the Immediate Removal phase, which is covered in Volumes 1 and 2. The second index represents the 106(E) Order phase and is covered in Volumes 3-7. And the third index covers the EE/CA phase and can be found in Volumes 8-15. The 3 separate indices are located at the front of Volume 1.
