Attempt to Stage a Comeback in South Bend Flukes and K. O. Results.

Reputable, (?) Newspapers Print "Apologies" and "Explanaw tions"- Recoil of Public Opinion Terrific.

South Bend, Ind., March 7.-Tolerance has for the 'teenth time flunked. It had threatened to print names of 40 men who belonged to the Ku Klux Klan at South Bend. It would expose those of prominence, was the claim of paid hirelings, who played to inter-

paid hirelings who played to interviews by newspipers of that city.

As usual, it was merely a bluff, The curious hung around the news stands last Saturday withing for the "sensation" to appear. Knowing winks were exchanged between the Pats and the Jakes. The occasional "colored gen-teman" would come along. "Ras" was a "brother for the hour."

But copies of Tolerance failed to arrive. No explanation was given, until the evening dulles, covering their front-page their front-page in their front-page in the page of the

lous.
Tolerance has branded itself istolerance.
It can scarcely be believed by a
right-thinking public should it now
come forth with a list of 100 names.
It has fooled the public once too often
and public opinion has turned to

and puters scorn.

A month ago this Chicago "opistie of hate," based on a policy of destruction, ordered stories bet steep the scouth Eend press state power a hundred south Bend Kinamen over a hundred South Bend Kinamen. The American Unity league had been organized, its officers that "para Bellnish" comments of the "Fara Bellnish".

DITORIAL

Yep! Looks Like an Early Spring

Our editorial last wock. "Something for the Indies," started something. The women are aroused and rightly so; They are more than ready and quite willing to "clean house." Mayhap because it is lear spiring. But "clean house" they would if our mall is indicative of the trend.

Giving our schools the "once over" seems to be unpermost. A "Civic bath for our town" comes next with "That girl"—tetting considerable attended to the contract of the con

tion.

Moonshine, bootleggers and the divorce also draw some fire.

"Putting the house in order" seems to be the slogan to which we say

"Yep!. It looks like an early spring."
